# THE REAL GOD

HOW HE LONGS FOR YOU TO SEE HIM

There is a deep sense of unease in our rapidly changing world. We all know something has been lost, but don't know why or where it all leads. Popular culture says it's all about me – that the end justifies the means, that love means self-satisfaction, that status and appearance are what count. And this ultimately self-destructive perspective has thoroughly infiltrated the church as confusion replaces conviction. The way back, the path of hope, starts with *knowing God for who He really is*.

Join us each week for this in-depth study of seven attributes of God – *His goodness, sovereignty, holiness, wisdom, justice, love, and faithfulness* – you'll see Him in a whole new light.

Based on the new book by pastor and author **Chip Ingram**, this growth campaign will change the way you think about God, yourself, and others. You will pray and live with a deep peace and a renewed purpose as you see Him as He longs to be seen.
